PRODUCT CHANGE NOTICE

Dear Telit Partner,

We would like to inform you that Telit initiated the assessment of its modules being placed on the market in Great Britain (England, Wales and Scotland) to comply with the Radio Equipment Regulations for UKCA.

As part of this process the marking of the modules will be updated.

Examples of the current and new labels are reported below:

Device label

New:

The activity is expected to be fully completed within the legal terms.

The UKCA marking came into effect on 1 January 2021. However, to allow businesses time to adjust to the new requirements, you will still be able to use the CE marking until 1 January 2023

The up-to-date list of UKCA approved products is available at: www.telit.com/ukca

For any additional information regarding this notice, please contact your Regional Sales Representative or the Telit Technical Support.

Best regards,
