Any terms deviating from these Terms shall be null and void unless Telit has explicitly agreed to such deviating terms in writing. “Telit” means any of the following entities: Telit Communications Limited (“**Telit UK**”), Telit IoT Solutions Inc. (“**Telit US**”), Telit Communications SpA (“**Telit Italy**”), Telit Wireless Services Ltd. (“**Telit Israel**”), Telit Wireless Solutions Hong Kong Ltd. (“**Telit HK**”), Telit Wireless Solutions Co., Ltd (“**Telit Korea**”), Telit Wireless Solutions Tecnologia e Serviços Ltda., Telit Cinterion Brasil Ltd. - 2. QUOTATIONS, PLACING AND ACCEPTANCE OF ORDERS.** A quotation made by Telit, including but not limited to commercial, technical or financial documents, sent to Buyer together with or referring to these Terms (the “**Quotation**”) is in force for 30 days from the date of issuance, unless otherwise specifically stated therein. Acceptance by Buyer of a Quotation may be evidenced by (i) Buyer’s written assent or (ii) Buyer placing an order for Telit products by delivering a purchase order to Telit, and both are deemed Buyer’s unconditional and irrevocable agreement to these Terms. Any purchase order or acceptance of a Quotation by the Buyer shall be deemed to be an offer by the Buyer to buy products subject to these Terms. The manner of acceptance of purchase orders shall be solely by Telit’s express written acceptance to a specific purchase order (“**Order Acceptance**”). Until such express acceptance was provided to the Buyer, Telit shall have no obligation to the Buyer. Once the Order Acceptance is received by Buyer, the Confirmed Purchase Order is binding. Telit's acceptance of all orders and all offers and sales by Telit are subject to and expressly conditioned upon Buyer's consent to these Terms. Any terms of Buyer's purchase orders that are different from or in addition to those contained in these Terms, shall be of no effect unless included in a revised quotation by Telit. Commencement of performance or shipment shall not be construed as acceptance of any such different or additional terms. Without derogating from the generality of the aforesaid regarding the Confirmed Purchase Order, acceptance by Buyer of products furnished by Telit pursuant hereto shall be deemed ratification of this Agreement.

3. **ORDER CANCELLATION, AMENDMENT AND RESCHEDULING.** Without derogating from any commitment made by Buyer to purchase a certain quantity of products within a certain amount of time, Buyer may request the amendment, rescheduling or cancellation of a Confirmed Purchase Order, upon written notice to Telit, as follows: (1) if the scheduled delivery date confirmed by Telit is on a later date than the delivery date requested by the Buyer, Buyer may cancel, reschedule or amend the purchase order within 5 (five) business days from receipt of the Order Acceptance; (2) 30 days prior to the scheduled delivery date, any delaying of the scheduled delivery date, amendment or cancellation of a Confirmed Purchase Order is not possible; 31 - 60 days prior to scheduled delivery date changes are allowed +/- 25%; 61-90 days prior to scheduled delivery date changes are allowed +/- 50%; more than 90 days prior to scheduled delivery date, full flexibility is granted, provided however, that any rescheduling, amendment or cancellation shall always be subject to (i) the applicable minimum order quantity ("MOQ") As an example only, if the MOQ of a product is 720 units and the order includes 1440 units of said product, no change will be possible 31-60 days before the delivery date, as such a change would amount to 50% of the order and not 25%; (ii) Buyer shall be liable to pay for long lead components (being components with a lead time of 120 days or more); (iii) Buyer may request to delay the delivery date of a Confirmed Purchase Order only once and (vi) Buyer may not cancel or amend last-time-buy Confirmed Purchase Order for Discontinued Products (as defined below) or for custom made Products, but may reschedule it once and up to 90 days from the original scheduled delivery date, as per the above terms. The limitations detailed above shall not apply to Buyer's request to advance the scheduled delivery date. Any request for amendment, rescheduling (advancing or delaying the scheduled delivery date) or cancellation of a Confirmed Purchase Order are subject to Telit's written confirmation of such requested rescheduling, amendment or cancellation, or of any part thereof, at Telit's sole discretion. For the avoidance of doubt, Buyer shall be fully liable to pay for the full Purchase Order, at the predefined payment date, if the cancellation, amendment or rescheduling are contrary to these Terms. Telit may reschedule, amend or cancel a Confirmed Purchase Order it cannot supply accordingly, due to Force Majeure circumstances (as defined below), at its sole discretion, upon written notice to Buyer.
